

2005 Cabernet Sauvignon *Mutti's Pride*

We source from only a handful of the highest quality Cabernet Sauvignon growers in the Napa Valley, and Cabernet Sauvignon *Mutti's Pride* is a blend of our top two vineyard sites from the vintage selected by our winemaker Gerhard Reisacher after two years of barrel aging. The result is a gorgeous wine that flaunts intense complexity, unyielding character and a vivacious finish. With that kind of pedigree, how could you resist?!

2005 Cabernet Sauvignon *Mutti's Pride* is a new wine in our portfolio. This wine was named after Elisabeth, Gerhard's mother, who visits from Austria every harvest and is proud to watch her son carry on the family's winemaking tradition. Friends know Elisabeth as *Mutti* (pronounced moo· tee), which is Austrian for *mom*.

Winemaker Notes: The nose is seductive and dense, packed with blackberry, dark chocolate, cassis, and mineral. The mouth is voluptuous with beautiful balance and structure, peripheral tannins, saturated with fruit, licorice, ruby red grapefruit peel, and cocoa. Finishes with considerable length and elegance. Youthful and sensational!
