

DELECTUS

N A P A V A L L E Y

2002 Cabernet Sauvignon, Oakville

Following the grower's wishes, we no longer vineyard designate our Oakville source. The vineyard lies south of the Crossroad next to Highway 29, with just enough pebbles in the soil to turn the site favorable for Cabernet Sauvignon.

2002 is our second version from this vineyard, with impressive results. While its predecessor, the 2001 Stanton Cab, was classically firm with layers of fruit, this vintage is more concentrated at the core, darker flavors, and saturated tannins. A stunning wine that will turn heads!

Appellation: Oakville, Napa Valley

Composition: CS 88%, ML 12%

Case Production: 725

Release Date: March 2007

Winemaker notes: Aromas of cherry liqueur, crème-de-cassis, well-integrated oak, some vanilla bean, cocoa. Well-structured mouth feel, a trace of dust, loaded with dark fruit, rich chocolate, and a very long finish.
