N A P A V A L L E Y

2000 Cabernet Sauvignon, Beckstoffer Vineyard

This parcel, located in the heart of the Rutherford Bench, was first planted to vines in 1933 by legendary Georges de Latour III. During the following decades it was the source for BV's Reserves until it was purchased by the Beckstoffer family in 1988. The rich history and pedigree of this site continues as it produces various lots of Cabernet Sauvignon for some of Napa Valley's finest wineries, including Delectus.

Winemaker notes: Instant aromas of fresh cut jicama give way to less exotic plum and cassis. Bright on the palate, driven by black olive and dust, good length, solid tannin structure, and spicy aftertaste. (GR, updated 01/05)
